The scholarship may be used at any two or four-year accredited college or university as long as the two-year college or university is part of a plan to transfer to a four-year college or university to finish a bachelor's degree. The scholarship is renewable for a total of four years if a minimum of a 2.5 GPA average is maintained. The amount of the scholarship is \$6,000 per year, renewable, up to a maximum of \$24,000 over four years of school.
